KELLI started singing at the age of four and has sung and played music all of her life! She has many years of vocal training and professional experience, and has performed a huge variety of musical genres including classical, rock, pop, country, jazz, soul, blues, gospel, opera and musical theater, to which she attributes much of her singing expertise. Kelli has been singing in rock bands since she was 18 years old in famous venues as well as for television programs, music producers and award show after parties. Kelli took a break from professional singing to focus on her family in 2007 and returned in 2018, joining Ready Or Not! in July of 2019.

TIM is heavily influenced by psychedelic, progressive and hard rock music. By 13, Tim was playing in copy bands leading up to original acts opening for national touring acts. Tim's a published BMI artist and has received performance airplay on both radio and television. Prior to starting Ready Or Not, Tim's original bands were featured opening acts for professional rock touring artists. Adding some personality to Ready Or Not's playlist provides Tim with his greatest inspiration. He says, "I do it because I love it." Tim relocated from New York to the L.A. music scene, which he now calls home.

ANDY has been playing bass in bands for over 30 years. He grew up in Culver City where in junior high he taught himself to play the bass when friends needed a bass player for their 60's-70's cover band. Andy's greatest influences include Emerson, Lake & Palmer, Yes, ZZ Top and Jimi Hendrix. He has played a wide variety of venues including church events, weddings, private parties, charity events to local bars and clubs. Andy's love of all music has also compelled him to play a number of musical genres over the years including blues, hard rock, pop, gospel and classic rock. Andy's another founding member of Ready Or Not!.
